

Code for video: "Show Article On Index"

Update your `pages_controller.rb`

```
class PagesController < ApplicationController
```

```
  def index
    @articles = Article.last(5)
  end
```

Update in `views/pages/index/html.erb`

```
<!-- Side Widget Well -->
<div class="well">
  <h4>Recent Posts</h4>
  <% @articles.each do |a| %>
    <strong><%= link_to a.title, a %></strong>
    <p><%= truncate(a.body) %></p>
  <% end %>
</div>
```
