

Code for video: “Last 5”

Update the articles controller with:

```
def index
  @articles = Article.all
  @last5 = Article.last(5)
end
```

update the article index page with:

```
<!-- Blog Sidebar Widgets Column -->
<div class="col-md-4">
  <div class="well">
    <h4>Recent articles</h4>
    <% @last5.each do |a| %>
      Created by: <%= a.user.username %><br />
      <strong><%= link_to a.title, a %></strong>
      <p><%= truncate(a.body) %></p>
    <% end %>
  </div>
</div>
```
